**Ministry Videos:** The various ministry videos were taped and Keri will have them ready to present by March 13.

**Video Camcorder:** Pastor Dan spoke to Keri who had two recommendations of cameras. The Board approved the funds for the purchase of a video camcorder. Pastor Dan will continue his research.

**The Dream:** An update was given that the dream committee will be looking into applying for grants. Christine Chan has volunteered to write grant proposals.

**Denomination Affiliation:** The church currently is non-denominational. Board members wanted to research affiliation options or whether to remain non-denominational, so the issue was tabled at this time.
