

victory
fellowship

welcome

From our Senior Pastor, Rick Matsuda

My desire is that you would learn more about us at Victory through these words and pictures...

...My greatest desire is that you would know Jesus Christ in a greater way through your experience with us.

our history

Victory Fellowship first opened its doors with an Easter Service, April 12, 1998. Located in Torrance, California, Victory was initially led by Senior Pastor Scott Kawamura and Associate Pastor Rick Matsuda as a church plant of Cerritos Baptist Church.

In its early days, Victory rented space from another church to conduct services. In March of 2003, Victory accepted full responsibility for renting the property at 4030 Spencer Street.

In the Spring of 2005, with Pastor Scott moving back to Sacramento, Rick Matsuda took the role of Senior Pastor of Victory.

With new facilities and additional staff, Victory continues to grow and minister to the needs of friends and visitors from the South Bay and beyond.

Victory meets Sundays at 9 & 11 A.M. Worship is contemporary and sermons are topical with relevant application and instruction drawn from God's word.

our mission

Helping people
discover the eternal
and life-changing
victory in Jesus Christ.

core values

GROWING CHRIST-LIKE IN CHARACTER
WE BELIEVE that the pursuit of Christ-like character and personal wholeness is normal for every believer. (Acts 2: 42)

REACHING OUT IN COMPASSION
WE BELIEVE in reaching whoever we can with the love and grace of God. (Luke 19:10)

ACTIVATING OUR GIFTS IN SERVICE
WE BELIEVE that serving one another through our God-given gifts results in a healthy church and individual fulfillment in life. (1 Peter 4:10)

CONNECTING IN AUTHENTIC RELATIONSHIPS
WE BELIEVE that life-change happens best in the context of relationships. (John 13:34-35)

EXALTING GOD IN WORSHIP
WE BELIEVE that passion for the Lord should undergird everything we do, for we are first and foremost, a “community of worshipers.” (Romans 12:1)

ministries

The vital ministries of Victory provide our people with opportunities on Sundays and throughout the week to grow in their relationships with the Lord and minister to others.

worship

Music is a powerful communication tool. More than just delivering a message, it can touch people's souls. Musical praise provided by the Worship Ministry is an integral part of our worship service that ushers the congregation into a place where they can meet the Lord, experience His grace and feed from His Word.

v-techs

The Victory Technical Ministry provides the service *ambiance*, making everything sound and look good through the sound system, Powerpoint slides, video clips and various multimedia presentations. They also provide messages on CDs or tapes and maintain our website.

hospitality

Food fosters fellowship, and that is what the Hospitality Ministry provides at Victory. It's been said that we have the "best refreshments around," which must mean that we also have the best times of fellowship. By the way, refreshments are not just served after the service, but throughout! So help yourself to something tasty as you sit down and worship the Lord at Victory!

usher/greeter

Welcoming those who enter the doors of Victory with a smile is the role of the Usher/Greeter ministry. Their many responsibilities before and during services help make your time at Victory a pleasant one. So whether you need a seat or a program or have any other questions, an usher is always available to help.

creative team

Sometimes the pastor needs people to bounce ideas off of and come up with some creative elements for various Sundays. That is when he will call upon the Creative Team, available to lend a helping hand in planning special services such as Easter, Thanksgiving, Christmas, Baptisms, Child Dedications, and quarterly Koinonia Sundays.

small group

Looking for a mid-week Bible study? Got an urge to get better acquainted with people from church? Check out one of our mid-week Small Groups which meet at various locations. Each group has different study focuses, so let us help find one that best fits your interests and needs.

V-LIFE

Get ready for a wild, crazy, and spiritually rewarding time with V-LIFE, the youth ministry serving our junior high and high school students. Under the creative guidance of our youth leaders, you never know what can happen during Sunday school classes, retreats, "Summerfest" or Friday night fellowship. But we DO know it will be Christ-centered and exciting!

Providing the children of Victory with a place to begin and nurture their relationship with Jesus Christ is the goal of Victory Kids, our children's ministry. Weekly Sunday School classes run concurrently with the worship service, taught by our well-trained and caring staff.

Special annual Victory Kids events include Vacation Bible School, Harvest Festival, Kids'-Day-Out, and the Christmas Program.

Need a little TLC? Through prayer, gifts, meals, calls, and letters, the Care Ministry serves individuals of Victory who are in need due to various reasons (i.e. births, illness, or loss of loved ones). They also make efforts to keep in touch with Victory people who may not have been around for a while.

evangelism

How will they believe in Him whom they have not heard? (Romans 10:14 NASB) Victory is reaching out to those who do not know Jesus Christ through outreach and missions projects. We minister to the South Bay community through our "T3 Youth Basketball League." Victory missions teams go to Tijuana to build homes, spreading God's love to the poor in Mexico. And we financially support a number of missionaries and causes locally and around the world.

All you Victory sisters... how about some quality "girl-time?" Victory Women's Ministry (a.k.a. "VW") gathers for quarterly events such as teas, cookie exchanges, craft workshops, outings, brunches, and service projects. VW events usually involve

fellowship times, guest speakers, small group sharing, prayer, and food.

And oh... NO boys allowed!
